

## About Us

V Care Foundation has been supporting people with cancer for nearly 3 decades.

Mrs. Vandana Gupta, a cancer survivor, started the organisation after going through treatment herself.

Everyone at V Care is dedicated to empowering patients from chaos to control.

The provision of emotional support is at the heart of our organisation.

V Care provides assistance to patients under their various patient care programs during and after their treatment.

**Share-A-Celebration:** A gift hamper every Diwali would go a long way towards brightening the days of our cancer warriors.

V Care Foundation is a registered trust in Mumbai, India. The patient families supported under our patient programs are PAN India. Our trust office is based in Mumbai.

**Squash-A-Mile:** Annual Fundraising event for supporting cancer patients in their treatment. Running a mile to show your support.

## Vision

Together we can and together we will conquer cancer.

**Cancer Survivors' Day:** Our annual Cancer Survivors' Day was a rousing success, honouring the participants' tenacity, resolve, and refusal to give up in the face of adversity.

Music brings out the best in all of us; it just boosts our spirits. An antakshari programme was held on February 4th as part of World Cancer Day and also as part of our 29th Cancer Survivors' Day celebrations. Patients and caregivers participated enthusiastically, putting on a fabulous show.

## Objectives

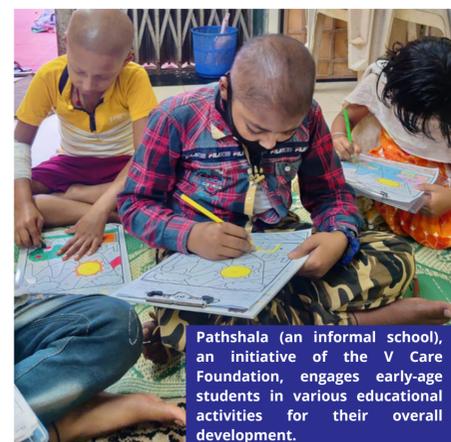

V Care nourishes cancer patients minds and spirits

V Care is a patient focused support group.

V Care works meaningfully and diligently with all its stakeholders, patients, doctors, nurses, administrative staff, individual, donors, corporates, charitable trusts, social organizations, and above all its volunteers.

## Awareness Drives

Virtual and on ground awareness programs are conducted for all cancers and also addressing the psychosocial issues. The awareness sessions are held in various places across the country all economic backgrounds. Samvaad initiatives provide a forum for the general population to express their concerns about the disease. It promotes healthy dialogue and helps to remove the stigma connected with the disease. This also reinforces the notion that cancer is curable and that there are many survivors who serve as an example to others.

**Pathshala** (an informal school), an initiative of the V Care Foundation, engages early-age students in various educational activities for their overall development.
