ANZSA
Australia and New Zealand
Sarcoma Association

Consumer Advisory Panel (CAP)

KEY RESPONSIBILITIES

- **Spread the word:** Raise public awareness about sarcoma and ANZSA's life-saving research.
- **Champion funding:** Advocate for vital grants and resources towards sarcoma research.
- **Review trial documents:** Review and evaluate Protocols and Patient Information and Consent Forms to ensure they are clear to allow potential trial participants to fully understand what participation involves and provide input into trial design and endpoint.

OUR MISSION

To improve outcomes, treatment options and quality of life for sarcoma patients throughout Australia and New Zealand by advocating for increased research funding, elevating the patient voice in clinical trials, and spreading vital awareness about sarcoma.

Our Work in Action

- Awarded a **$120k Cancer Australia grant** to develop multi-media resources for sarcoma patients and their families.
- **Consumer submission** to Australia's medicines subsidy advisory committee (PBAC) on Pembrolizumab access
- Promoted awareness during **Sarcoma Awareness Month** activities and ANZSA's **Plankathon** fundraising events
- **Clinical trial reviews** for HARMONY, MELODY, SPORTS-STS trials
