ASARGA
ASOCIACION SARCOMAS GRUPO ASISTENCIAL

TOGETHER FOR PEOPLE WITH SARCOMA

Support. Research. Education. Advocacy.

Asociación de Sarcomas Grupo Asistencial (ASARGA) is a nonprofit **patient organization** supporting people affected by sarcoma and their families across **Spain**. We work to improve quality of life, defend patients' rights and strenghten their voice.

Patient & Family Support

Information, guidance and support for patients, families and caregivers. A community where experiences are shared an no one has to face sarcoma alone.

Education & Awareness

Workshops, webinars, patient meetings and public campaigns connecting people with reliable information and raising awareness of sarcoma.

Research & Colaboration

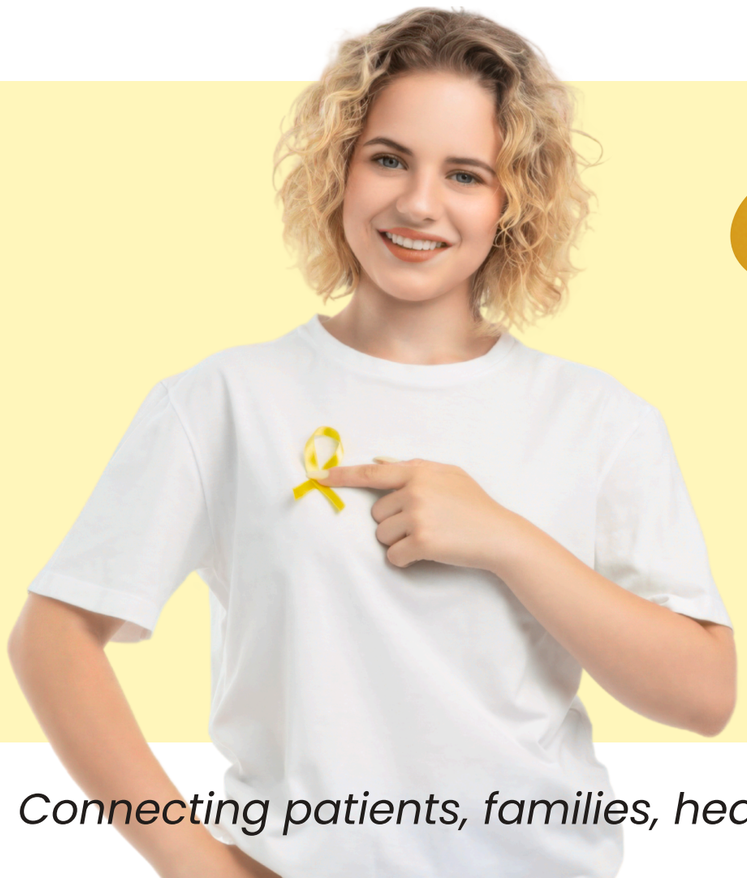

Research grants and collaborative projects with scientific societies, universities and healthcare professionales, guided by patient needs.

Advocacy & Access to Care

Bringing patients' experiences into institutional dialogue to promote timely diagnosis, access to specialist centers and coordinated care.

Our community. Our strenght.

LOOKING AHEAD

ASARGA CONECTA | 2026 - 2028

Nationawide study to identify unmet needs and barriers across the care journey, informing more equitable, coordiantes and patient-centered care.

Planned: 300 - 500 surveys | 30-40 in depth interviews

Connecting patients, families, healthcare professionals and researchers.
