# The DSRCT Initiative

**Connecting the global DSRCT community**
**through shared knowledge, support, and advocacy.**

| 100+ | 75 | 18 | 24 |
|---|---|---|---|
| Weekly peer support members | Current cases represented | Countries | US states |

## Our Objective

Building a global hub for DSRCT knowledge, support, and collaboration.

## Our Accomplishments

- **DSRCT Weekly Virtual Peer Support Group** across 18 countries
- **Monthly email newsletter**
- **YouTube channel:** Hope Always in the fight against DSRCT (12 recorded speakers)

## What We're Building

- Patient & Caregiver Guides
- Oncologist Brief
- Global Specialist Atlas

## Our Lighthouse Project

### Establishing our global advisory board and global DSRCT multidisciplinary team.

Many local oncologists may never have seen a case of DSRCT. Partner with us to bridge the gap between community hospitals and high volume specialist centers worldwide.

**We are recruiting founding members:**

- Sarcoma Medical Oncologists (Pediatric, AYA, & Adult)
- High-Volume CRS/HIPEC Surgical Oncologists
- Radiation Oncologists
- Translational Researchers
- Clinical Psychologists

**How you can collaborate:**

- Shape our global virtual MDT & clinical briefing packet
- Guide our global DSRCT Specialist Atlas
- Feature as a Virtual Guest Speaker

**Scan to partner with the DSRCT Initiative**
