

YOU ARE NOT ALONE!

Érintettek hungarian association for children with cancer

Founded in 2016

OUR MISSION IS

to provide personal and real help to families fighting with childhood cancer and leukaemia with our parental experience and knowledge, and the positive example of our healed child.

OUR COMMUNITY

unites those in the same fate, we help the lives of families undergoing treatment, those who have recovered, and those who have lost their child.

Érintettek excursion – Joint recreation for involved families

Érintettek caps and scarfs program – Handmade gifts for children in therapy

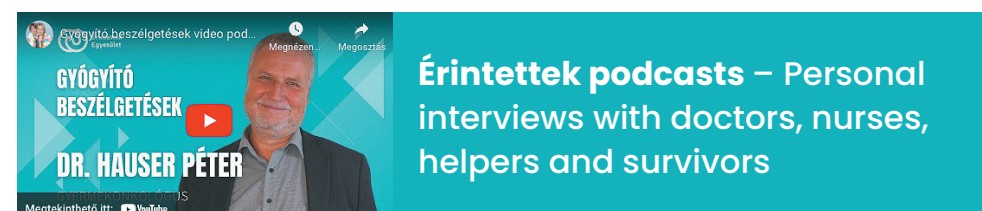

Érintettek Book – Information book for parents and families

Érintettek necklace – Necklace from the beads received for different stations of the therapy

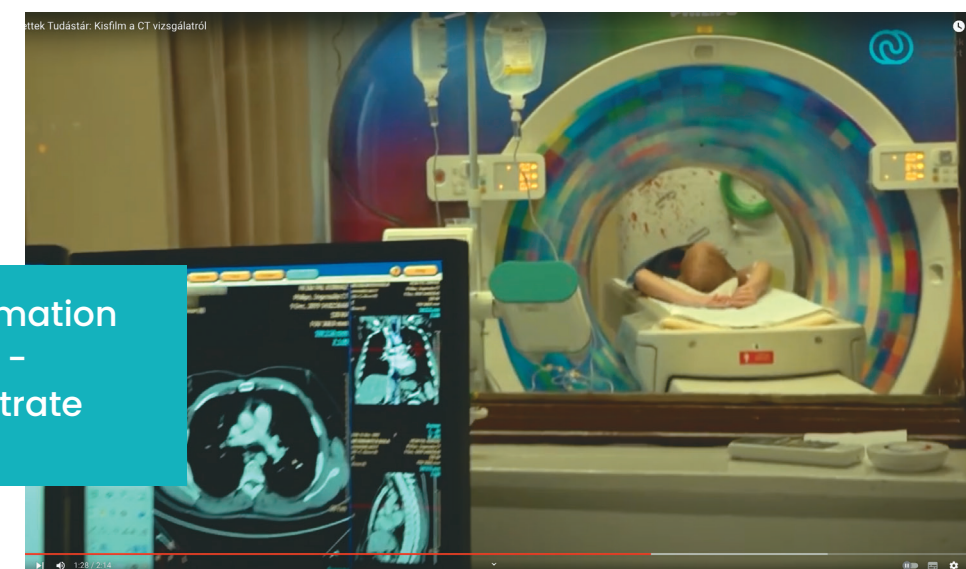

The Bravery test – Helping book for the children on the road to healing

Érintettek podcasts – Personal interviews with doctors, nurses, helpers and survivors

Érintettek Short films – Designed to give first-hand information on different therapies for the children. Few minute videos – Healed children talk about treatments and even demonstrate them – It helps to ease the fear of the unknown

ÉRINTETTEK HELPLINE – Telephone psychological assistance

UTANA.HU (~AFTER.COM) Follow-up care program

ÉRINTETTEK PODCAST – Personal interviews with doctors, nurses, helpers and survivors

Érintettek award – To show gratitude and recognition of families to the healers
