

Making it Better for Kids with Osteosarcoma

OUR MISSION

MIB Agents Osteosarcoma Alliance is a leading pediatric osteosarcoma nonprofit dedicated to making it better for our community of patients, families, medical professionals, researchers, and industry partners through programs, education, and research.

PROGRAMS

Warrior Mail

OsteoWarriors receive monthly letters of hope and cheer from MIB Agent Writers around the world.

Ambassador Agents

Connects osteosarcoma patients and families to trained osteosarcoma survivors and their families for mentorship and support.

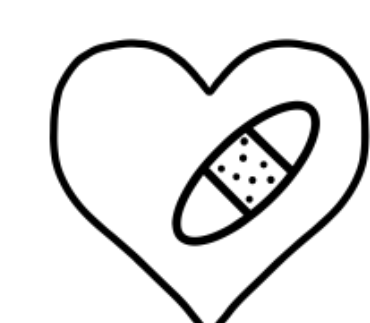

Gamer Agents

Lead Gamer Agents are trained to game with warriors in active treatment, connecting a community of OsteoWarriors and siblings.

Missions

When an OsteoWarrior transitions to hospice care, MIB Agents provides an experience or an item of comfort and entertainment.

Healing Hearts

Support groups led by a professional grief coach for bereaved parents who need a haven of love and comfort along with the hope of healing.

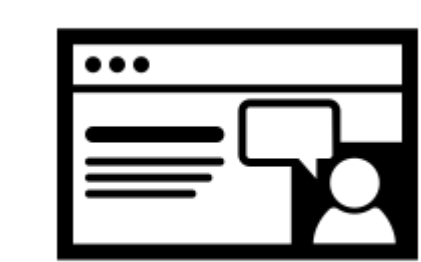

EDUCATION

OS Handbook

Written by families and edited by osteosarcoma experts, the OS Handbook is a must-have resource for newly diagnosed patients. Available in English, Spanish, Chinese.

OsteoBites

A weekly webinar series featuring the leaders in osteosarcoma research and other topics of interest to the osteosarcoma community.

osTEAo

A monthly podcast by OsteoWarriors who spill the tea on living with cancer as an AYA.

TURBO

A bi-monthly virtual tumor review board for osteosarcoma open to global clinicians and researchers, TURBO provides an educational forum and fosters collaboration.

Connective Issue

A monthly roundup of all things osteosarcoma, including recent papers, open clinical trials, spotlight moments with OS people & labs - delivered straight to your inbox.

RESEARCH

OutSmarting Osteosarcoma

The OutSmarting Osteosarcoma Research Grant is an annual award begun in 2017. Since then, MIB Agents has supported 18 investigators and awarded nearly US\$1.6MM to support osteosarcoma research. OutSmarting Osteosarcoma has led to:

- 10 publications
- 78 presentations
- 7 clinical trials
- US\$1.5MM secured in additional funding

Testing & Research Directory

A guide to testing and research options to either help inform a personal treatment plan and/or contribute to general osteosarcoma research.
