Educational Webinar Series

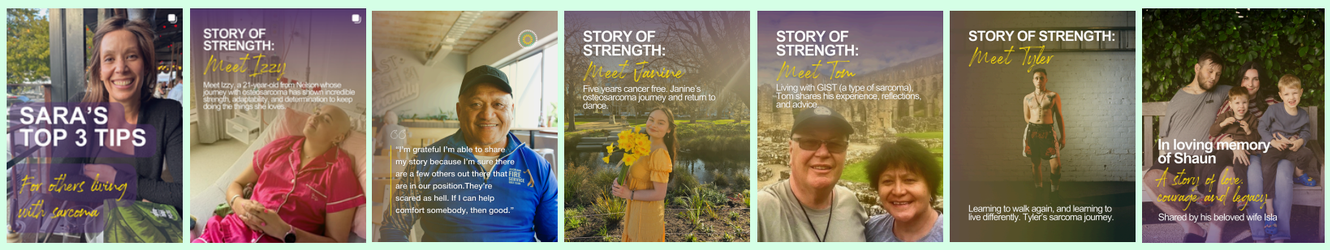

Accessible, expert-led education for our sarcoma community

Patient Stories

Real people. Real experiences. A stronger community.

We've shared 15 stories to date, highlighting the diverse experiences of living with sarcoma. These stories raise awareness, reduce isolation and give a voice to the people behind the diagnosis.

Powered by Our Community

Generous supporters making a difference.

From patients and families organising fundraisers to individuals, businesses and communities giving their time and donations, our Foundation is strengthened by the collective efforts of people from all walks of life.

Looking Ahead

- Expanded accessible patient education and resources
- Grow opportunities for patient and family connection
- Strengthen patient advocacy and representation
- Continue collaborating with healthcare professionals
- Support community-led awareness and fundraising initiatives

Our Partners & Supporters

We are grateful to our patients, families, healthcare professionals, community fundraisers, donors, volunteers and supporters across Aotearoa, along with our partners, friends at Sarcoma UK and the wider international sarcoma community.
