

SPAGN Conference Participant Profile

Name: Gabi Ott

Organisation: SPAGN

Role / Stakeholder Type: Patient, Patient Advocate

Country: Austria/Germany

What is your connection to sarcoma or your sarcoma story?

I was diagnosed with a dedifferentiated retroperitoneal liposarcoma in 2018. Thanks to the information of the German sarcoma patient organization, I looked for a certified sarcoma center and received a multi-modal therapy. I am now 7 years NED.

What's most important to know about your organization?

A great place for people from all over the world to connect, learn and exchange.

What are you most interested in collaborating on?

Access, Policy, Partnerships

Your role in the organisation and main areas of involvement:

Board member of SPAGN; Editor-in-Chief of the Voices of Sarcoma blog

How can others best connect with you after the conference?

gabriele.ott@sarcoma-patients.org

One fun fact about you or something you are proud of:

I started knitting again while I was in hospital for cancer treatment - after 35 years of not having touched knit work at all. Now, I have turned into a knitting maniac - none of my family can escape from my efforts!
