

# SPAGN Conference Participant Profile

**Name:** Margareta Benson

**Organisation:** Private

**Role / Stakeholder Type:** Patient

**Country:** Sweden

## What is your connection to sarcoma or your sarcoma story?

I had an unknown gist tumour that burst in April 2018. Was on imatinib for 6 years and now have to be scanned every 4rd month.

## What's most important to know about your organization?

I'm a member of the organisation for Sarcoma in Sweden. We are small but very important for whoever bump into this scary and pretty unknown world of Sarcoma.

## What are you most interested in collaborating on?

Awareness, Innovation, Patient Support

## Your role in the organisation and main areas of involvement:

Communications

## How can others best connect with you after the conference?

margareta@bensons.se

## One fun fact about you or something you are proud of:

I'm a stubborn road biking cyclist who can pedalling for hours uphill just for the fun of going crazy fast downhill!
