Sarcoma
Patient Advocacy
Global Network

Uniting globally.
Working together.
Driving change.

STRATEGIC PLAN
2027 – 2031

UNITING SARCOMA PATIENT ADVOCATES WORLDWIDE TO DRIVE BETTER CARE, RESEARCH AND POLICY THROUGH A STRONG GLOBAL PATIENT VOICE.

SPAGN is the global network of sarcoma patient advocacy organisations, connecting and strengthening the community to ensure a strong, united patient voice worldwide.

OUR VISION

A world where everyone affected by sarcoma has **timely and equitable access** to research innovation, sustainable technologies, high-quality care and support – no matter where they live.

OUR MISSION

To unite and empower sarcoma patient organisations worldwide, strengthen the global patient voice, share knowledge and drive change in care, research and policy through collaboration.

OUR STRATEGIC GOALS

2027 – 2031

STRENGTHEN COMMUNITY

Cultivate and grow a strong, resilient and globally connected sarcoma patient advocacy community.

INTEGRATE PATIENT PERSPECTIVE

Bring the patient voice into sarcoma research, policy and decision-making.

ADVOCATE GLOBALLY

Encourage international sarcoma patient advocacy for timely and improved access worldwide.

OUR CORE VALUES

Engaged.
Focused on member organisations, guided by patient needs.

Collaborative.
Partnering for greater collective impact.

Evidence-Driven.
Guided by accurate data.

Trusted.
Reliable, transparent, and credible.

Global.
Culturally aware and respectful.

Passionate.
Committed and empathetic in all that we do.
