

Sarcoma**free** Foundation

My name is Plamena, and together with my family, established a sarcoma-focused organization in memory of my fiancé.

Our goal is to drive awareness and advance research efforts, all with the hope of finding a cure.

#sarcomafree

sarcomafree
FOUNDATION

Our Projects:

Our foundation organizes various initiatives such as concerts, charity bazaars, awareness campaigns with posters in public spaces, and the sharing of actual information about sarcoma through social media and community outreach.
