Shane’s legacy: hope through action

Shane Osteosarcoma Association

Founded in loving memory of Shane, we work for a future with better treatment options and stronger support for children and families affected by osteosarcoma.

Shane Rick Bochsler

RESEARCH FUNDING

Our community makes research possible

EUR 45,000

St. Anna Children’s Cancer Research, Vienna

Supporting osteosarcoma research in the Taschner-Mandl Group.
This grant honours Tim Fritschi’s legacy.

CHF 25,000

Balgrist University Hospital, Zurich

Supporting osteosarcoma research led by Prof. Didier Surdez.

Dr. Sabine Taschner-Mandl, Elke Zipperer and Sarah Jane Bochsler at St. Anna in Vienna.

SUPPORT BEYOND THE LABORATORY

Everyday support

A therapy bike for the oncology ward at University Children’s Hospital Zurich.

Family connections

Building a peer support network for affected parents.

Awareness

Sharing families’ stories and bringing people together through Charity Slam events.

Let’s connect for children with osteosarcoma
